JEROME KALUMBU

Hi! I am a UX/UI Web Designer & Graphic Designer based in London who works mainly on digital products. I love to invest my time in solving designs problems and deliver a solution that fits business and users needs. In the other hand, I do have good skills working with SASS, CSS3, JQuery, and HTML5.

Skills

UX / UI Design · Art Direction
Graphic Design · Prototyping
Wireframing · Typography · Branding
Drupal Theming / Site Building · SASS
CSS3 · HTML5 · JQuery · PHP
